This section is to be completed and signed by ALL Trustees required by the response to question 1 in part D above. For purposes of this section, "Trust" and "Trustees" refer to the Trust and its Trustee(s) identified on the first page of this form. "Owner", "Beneficiary", and "Annuitant" have the same meaning as defined in the annuity contract.

In connection with and in consideration for the issuance of one or more annuity contracts by Midland National® Life Insurance Company ("Company"), the undersigned persons (the Trustees) on behalf of the Trust represent, certify, and agree as follows:

- A. The Trustees are the authorized Trustees of the Trust identified above, and are authorized and legally capable of purchasing the annuity contract. Company may rely upon the signatures of the Trustees on behalf of the Trust as if they were the actual Owner and Beneficiary of the annuity contract.
- B. The Trust is authorized under the terms of the Trust to purchase and hold the annuity contract, and the Trust is authorized under the terms of the Trust to receive the annuity contract proceeds.
- C. The Trustees acknowledge and agree that Company has no responsibility for reviewing or interpreting Trust or Trust-related documents, that Company will issue and administer the annuity contract based solely upon the representations made by the Trustees in this form, and that any consequence of any error, inaccuracy, or misunderstanding in interpreting the Trust will be borne solely by the Trustees. The Trustees agree that Company shall have no responsibility with respect to the use or application of any funds paid to the Trust or the Trustees.
- D. The Trustees have reviewed all provisions of the Trust and annuity contract. By accepting the annuity contract, the Trustees certify they have determined that:

E. Waivers, Releases of Liability, and Certifications (continued)

- E. The Trust is domiciled in the United States and is either:
 - i. A Charitable Unitrust or Charitable Annuity Trust that is described by and complies with the requirements of Internal Revenue Code § 664, and the Trust has and will continue to comply with all Internal Revenue Service (“IRS”) rules in order to maintain such status for the full duration of the annuity contract (herein referred to as an “IRC § 664 Trust”), or
 - ii. A Charitable Trust that is described by and complies with the requirements of Internal Revenue Code § 4947(a)(1), and the Trust has and will continue to comply with all IRS rules in order to maintain such status for the full duration of the annuity contract (herein referred to as an “IRC § 4947(a)(1) Trust”).
- F. The Trustees will promptly provide to Company a signed IRS Form W-9 confirming its status as an IRC § 664 Trust or as an IRC § 4947(a)(1) Trust (as defined in paragraph F above). The Trustees also agree to provide promptly a new signed IRS Form W-9 and any other IRS forms that Company requests in order to satisfy its tax reporting and other obligations under U.S. tax laws.
- G. The Trustees will promptly notify Company if the Trust’s status as an IRC § 664 Trust or as an IRC § 4947(a)(1) Trust (as defined in paragraph F above) should change.
- H. The Trustees have determined the annuity contract is suitable for the purposes of the Trust, and that the annuity contract conforms to the income distribution requirements of the Trust and to applicable state and federal laws. The Trustees have sought advice from their own qualified tax and legal advisors regarding any questions related to the suitability, purchase, and ownership of an annuity contract by the Trust, and have independently determined that purchase of the annuity contract is appropriate for the Trust. The Trustees acknowledge that neither Company nor any of its agents/representatives, officers, or employees has made to the Trust any representations regarding the suitability of the purchase of the annuity contract nor the potential tax liabilities or implications of such purchase. The Trustees acknowledge that distribution of the annuity contract funds may result in surrender charges and/or Market Value Adjustments (also know as Interest Adjustments) pursuant to the terms of the annuity contract. The Trustees further acknowledge that the purchase and ownership of an annuity contract by the Trust may have significant tax, estate/probate, and other legal and financial consequences for the Trust and Trust’s Beneficiaries.
- I. The Trustees further acknowledge and agree that:
 - i. Company does not make and has not made any recommendations regarding the use of a Trust for any purpose, Company’s agents/representatives are not authorized to recommend or sell Trusts while acting in their capacity as agents/representatives for Company, and any Trust recommendation should be provided by a qualified advisor;
 - ii. Neither Company nor its agents/representatives, employees, or representatives are authorized to give tax, estate/probate, or other legal advice. Although some Company agents/representatives may also be duly licensed professionals (e.g. attorneys or accountants), any tax, estate/probate, or other legal advice provided by such individuals is solely in their capacity as independent professionals, and not in their capacity as agents/representatives of Company;
 - iii. The Trustees have not relied upon any representation or advice of any of Company’s agents/representatives, employees, or representatives with respect to the validity, terms, or utilization of the Trust as the Owner and Beneficiary of the annuity contract; and
 - iv. The establishment of the Trust is not required in conjunction with the purchase of the annuity contract, and any fees, costs, and/or expenses associated with the establishment of the Trust are independent of any premium paid for the purchase of the annuity contract.
- J. The annuity contract is being purchased for reasons other than tax-deferred accumulation.
- K. The annuity contract is not being purchased in connection with a welfare benefit plan or in connection with any deferred compensation plan. In this regard, the annuity contract is not being purchased in connection with any qualified deferred compensation plan (such as a plan described in Internal Revenue Code §§ 401, 403, 408 or 457) or any non-qualified deferred compensation or executive compensation plan
